See below for Pat's latest request.

**Subject:** Didion Request for Information

Hi Jon:

Gregory Gehrig produced a Clean Air Act Inspection Report dated July 13, 2018, summarizing EPA's inspection of Didion's Cambria facility. On page four of the Report, there is a list of videos and photos that were taken during the inspection. We do not have copies of videos nor the photos. I am writing the email to request copies of the all the videos and photos that were taken EPA pertaining to this matter.

Please contact me if you have any questions or concerns. Thanks you.
